

OCTOBER HALF-TERM HOLIDAY CAMPS

Conisbrough Ivanhoe Primary Academy

Camp Report

THANK YOU

More than ever before, we need to provide children with a safe, positive and active place to be. A place where they can not only develop their health and wellbeing to make new friends, but to build their confidence and to just be happy. We cannot sit back and look at the dreadful statistics that have emerged from the impact of Covid-19, with 73% of schools reporting children are returning back to school will lower fitness levels. Now, with 50% of schools delivering less extra-curricular and recreational sport ceasing in lockdown, we really need to address new ways of improving the bodies and minds of the younger generation. These camps help children and families in so many ways and it is vital that these opportunities are available all year round. Thank you to Doncaster Council, Doncaster Children's Trust, The VRU and all the host schools for your support, and finally, to all the children who give us positive lasting memories.

PROJECT SUMMARY

Why Holiday Camps?

The October half-term Holiday Camps, delivered by Active Fusion, gave children the opportunity to be happy, healthy and active. Children experienced a range of activities and games both indoors and outdoors. Children not only spent their time on camp playing sport, but also exploring their creative side - drawing, colouring, creating and painting.

The current climate has been difficult for all of us. We hoped that seeing children smiling and enjoying themselves on camp has made dealing with Covid-19 that little bit easier for everyone. The Friday saw us deliver Halloween-themed activities and games with children and staff dressing up in fancy dress. From witches & skeletons, to clowns & vampires, the day proved to be a huge success!

"The Camps gave children the opportunity to be happy, healthy and active."

HOLIDAY CAMPS

What was achieved this half-term?

20

Schools represented

4-11

Age ranges

139

Children attended

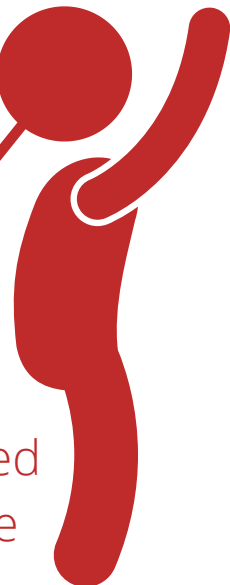

130

'Active Hours' achieved

38

Children stated disadvantage status

443

camp places filled by children

27

people given opportunity to work

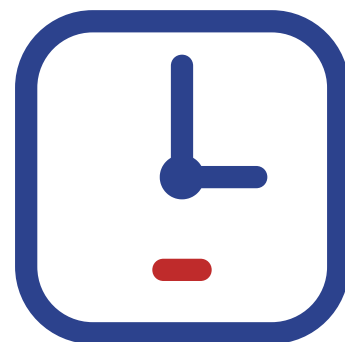

FIGURES FROM IVANHOE

What was achieved at Conisbrough Ivanhoe?

The ages of children ranged from **7-10**

16 children were male; **11** were female

30

hours of physical activity were achieved by children

11%

children on camp stated at least one disadvantage status

75%

attendance*

25

sessions delivered to

27

different children

*Due to Covid-19, Conisbrough Ivanhoe made the camp open only to their pupils, impacting the attendance figures.

THE FUN DOESN'T STOP

Rowan, Thomas and Emily enjoyed camp

Children at Conisbrough Ivanhoe Primary Academy have praised the holiday camps, stating their love of sport as the reason they wanted to be a part of it.

Rowan, Thomas and Emily all attended the Ivanhoe camp, and were so happy to have spent their half-term with Active Fusion being active.

Rowan said: "I've loved camp. I get to do all of the fun things I like to do and see and play with my friends. I get to play outside and do sports which I really like to do."

Thomas added: "I've really enjoyed it. I love doing sport and running and being active. Plus, all of my friends are here which makes it more enjoyable. We have so much fun. We've been following all the new rules. Coronavirus came at us so quickly but school have done a really good job with the new rules and making it safe."

Emily said: "I've had so much fun. I think knowing at least one person has made it easier but I love doing sports so really wanted to come. We have done basketball, dodgeball, football and loads of other different activities and games. We even did crafts which was really fun."

PARENT FEEDBACK

What it meant to parents*

67%

of parents said that the camps gave them the opportunity to work

100%

of parents said that camps made their children more active

89%

of parents said that their children enjoyed their time on camp

89%

of parents would recommend Active Fusion to others

89%

of parents said their children enjoyed socialising with other children

100%

of parents said their child's mental health was improved

*Based on a select amount of parents who filled out the feedback evaluation form upon completion of the holiday camps.

PARENT REVIEWS

What parents have said

"My child attended the sports camp and loved it so much that he wanted to go again. I think it's a great idea within our circumstances to get children active and to be able to socialise; my child fully enjoyed camp."

"Fantastic experience, both of my children loved it. They couldn't wait to get up the next morning to go. I would love to send them to another one due to how much they loved going."

"Active Fusion are an amazing organisation that are active in my children's school. They offer a great service for kids keeping them active; I would highly recommend them."
