# we are active fusion

Here at Active Fusion, we share a collective passion for our charitable mission, a mission to develop the physical and mental well-being of children and young people across South Yorkshire.

We are dedicated to building trusted relationships with the children, young people, and families across our local communities. As part of our partnership approach, we are committed to ensuring that everyone we encounter receives a personal and rewarding journey with Active Fusion.

As a charity, we exist to make a difference to the lives of thousands of children most in need of our support every year. Together, we can help make a difference to the lives of your children at the heart of your school.

# why active fusion?

## What are the benefits?

Our People-Centred approach means we connect you and your children directly to our team. In becoming a School Partner, you will get:

- A dedicated coach throughout the year.
- Access to our specialist coaching team covering specialism such as Dance, Taekwondo, and Cricket.
- Support from our School Partnerships Manager overseeing your bespoke needs.
- Priority access to free Fusion Education funded programmes secured by the charity.
- Specialist support with school fundraising through our Fusion Movement Campaign and in-house fundraising team.
- Termly Impact & Data Reports tracking the progress of our provision.
- Mentoring support for your PE Coordinator with associated planning, assessments, events, and competitions.
- The Fusion Family team is dedicated to helping you explore Whole School Improvement in PE!

# meet the team

In addition to the support of a Dedicated Coach for the year, you will also benefit from the specialist support of the wider charity team.

# pride in what we do

## Pride in our work

**100%**

of children say they love their Active Fusion lessons.

**100%**

of children say they get the support they need from their coach.

**100%**

of schools rated that communication they required as exactly what they needed.

**4.90 /5**

for staff becoming embedded in the school team.

**4.95 /5**

for planning, organisation, delivery and overall satisfaction with the provision.

**4.90 /5**

for the overall Active Fusion experience.

## Pride in our team

Adam has been outstanding in his first term at Montagu, he is very supportive to staff and pupils. I would highly recommend Adam to other schools!

Montagu Academy

Dan is always punctual, friendly and great with the children. His behaviour management skills are excellent and the children get so much out of their PE sessions with him.

Auckley Primary School

We are pleased to have Active Fusion working with our school. Teachers and children alike really appreciate the efforts and enthusiasm from staff.

Holy Rood Catholic Primary School

# our partnerships

**Active Fusion have three partnership levels of support:**

**gold silver bronze**

Where others may charge for extras such as PE coordinator support and advice, CPD, playground leaders, major events and PE conferences, all of these elements are already included in every partnership level, with no hidden costs!

Our coach becomes your coach and how they support your school is entirely up to you. The Fusion Family team are dedicated to helping you explore Whole School Improvement in PE!

*I feel that PE is a strength of our school, but without the support of Active Fusion it wouldn't be.*

**Crookesbroom Primary Academy**

# gold partnerships

Become a **GOLD** partner and one of our dedicated coaches will work with you for a full day every week, embedding themselves into the ethos of your school.

## What's included?

- One in-school Twilight Session for staff - in place of extended school provision at the start or end of the six-week block (Please see page 13 for CPD sessions).

How much?  
**£950**

# apprenticeships

## **Active Fusion work with DN Colleges Group to deliver PE Sport Apprenticeships.**

From these programmes Apprentices will develop the confidence, skills, and qualities they need to progress into a career in coaching and teaching Sport & PE and working with young people.

Apprentices will gain valuable experience and be provided with opportunities to secure long-term employment.

### **Investing in a PE, Sport and Wellbeing Apprentice offers:**

- Support with leading PE lessons.
- Additional capacity within your staff team to deliver more physical activity across the school.
- The potential to offer more extra curricular activity.
- Support for your school at events, trips, and residentials.
- More opportunities for young people to be physically active.

And enhances the reputation of your school by demonstrating your investment in local talent.

# apprenticeships

Apprenticeships can also be used to Upskill Existing Staff. This is ideal for Teaching Assistants and other school-based support staff already working in a Physical Education and school sports setting.

Apprenticeships enable them to further their professional development and gain an additional professional qualification within the delivery of PE and school sport.

## How is the Apprenticeship Funded?

If your school pays into an apprenticeship levy all training fees will be paid for out of this. Non-Levy paying employers will share the cost of training and assessing their apprentices with the government. Non-Levy paying employers will pay 5% towards the cost of Apprenticeship training with the government paying the rest (95%).

*Example: L2 Apprentice Sports Coach cost of training £6000, employer contribution £300 (5%). Employers are also eligible for £1000 government funding for hiring an apprentice between the ages of 16-18.*

## Want to find out more about our Apprenticeship Offer?
