

## May Fusion Camps FAQs 2024

### **Does my child qualify for a free place?**

Children who are entitled to Free School Meals, benefited related financial support or can prove financial difficulties can access our camps for free. If you are not sure if your child is entitled please contact us direct at [poppy@activefusion.org.uk](mailto:poppy@activefusion.org.uk)

### **My child does not qualify for a free place, can they still attend?**

Of course, however, there is a small charge to help us sustain our camps, cover staffing costs and ensure that camps are accessible for all children.

### **Why is there not a local camp in my local area?**

Many schools were not able to accommodate due to building works and maintenance taking place over the Spring/Summer months. If you would like more information about why a camp is not being held at a specific venue, please contact [hannah@activefusion.org.uk](mailto:hannah@activefusion.org.uk)

### **Will all children receive a free lunch at your Fusion Camps?**

Children attending are required to bring a packed lunch to camp. Please ensure that you provide your child with a refillable water bottle and any further snacks or refreshments.

### **What can my child expect during Fusion Camps?**

A bucket load of activities, every school holiday. With great value sports and creative arts to enjoy each half-term, we have plenty for your children to get stuck into in the school break! A more detailed agenda will be sent out to all booked parents/guardians prior to the camps commencing.

When completing the booking form, you will be asked to complete a participant form on behalf of your child where you will be prompted to provide details on allergies, dietary requirements, special educational needs and any other requirements unique to them.

### **Is my child allowed to bring their mobile phone to Fusion Camp?**

Your child is allowed to bring their mobile to camp but we ask that they are switched off and put away during camp hours. This not only provides a safe environment for all attendees but also ensures that your child fully benefits from all that Fusion Camp has to offer.

All of our camp venues are secured 15 minutes after the camp start time to provide a secure environment for all participants. If you arrive late to camp and cannot access the building then please contact our office on 01302 637276 who will notify camp leads.
