About the Fusion Performance Club

A network for business leaders across the region, who share the vision that business can be used as a force for good. The club brings together forward-thinking individuals committed to driving positive change within their communities. The club fosters collaboration and a shared mission to make a meaningful impact on society and our future generations.

More information

We are excited to be hosting a series of exclusive events for the members of our Fusion Performance Club. Booking information will go live around a month before each event, and you are able to bring a few members of your team, along with inviting a guest of your choice to each event.

Interested in joining us?

By joining hands with us, you're not just contributing to a fundraiser; you're becoming a part of something greater – a movement fuelled by the shared belief that together, we can transform young lives. Download our brochure here or email our Head of People & Partnerships at dave@activefusion.org.uk
